

Dear Manager,

My name is _____ and I am on the board of directors for Eastern Ontario Western Games Association. I would like to thank you for taking the time to read my letter.

We are in full swing gearing up for this year's coming show season. We are very excited and looking forward to a successful year.

Eastern Ontario Western Games Association is a non-profit organization hosting a series of shows to help the local, beginner, and young barrel racers. By having EOWGA shows, it helps our kids and adults learn enough to challenge themselves and support themselves to go on to bigger, more competitive shows. We also have a show format with classes and paybacks to attract top-tier competitive riders. We do require support or partnerships from local businesses and individuals. Our request not only helps keep down our expenses, but they assist with our fundraising efforts. We reach out to those companies that can support our association in a way that hopefully best suits all parties' interests.

Your sponsorship will help give opportunity to riders who may not otherwise have the chance to show off-property or gain experience elsewhere. EOWGA takes pride in having a team atmosphere, sportsmanship-like conduct, dedication, and the importance of outdoor physical activities in a world driven by technology.

Caring individuals and businesses such as yourself make it possible for us to produce quality horse shows that are affordable to local riders of all calibers.

For our sponsors we would like to advertise your organization at our shows by placing your poster or banner on our arena wall/fence as well as your logo on our website which includes a link to your website or Facebook page. We also have an announcer thank each of our sponsors throughout each event and mention any reference to your organization you would like. We have a professional marketing person on our board of directors that is happy to coordinate with you. <https://kerrigriffin31.wixsite.com/eowga>

We gladly accept any donation.

I look forward to either meeting or corresponding with you further.

Thank you once again for your time.
